THE SMOOTHEST SMOKING TOBACCO

WHEN I smoke, I want my tobacco cured by Mother Nature—  
not by Mother-in-law Process.

Velvet Joe

There is nothing harsh in Nature's methods—no stunts, no "hurry-up."

Her quiet, patient way with VELVET during its two years aging in wooden hogsheads, brings out all the kindly comfort of fine Kentucky Burley leaf.

The quicker, less expensive methods cannot possibly produce the fragrance, coolness and downright pipe qualities of VELVET, cured in Nature's way.

Today it is your privilege to enjoy, with hundreds of thousands of other smokers, this mild and friendly VELVET tobacco.

petition and the names of all persons whose testimony they deem material. The said quarterly court shall consider the whole matter and make such orders as they deem advisable. They shall have power to condemn the land for highways, the right to enter upon the property of any person for the purpose of surveying or laying out of any highway, after giving such person or owners of such property, notice of their intentions. They shall appropriate a sufficient amount of the county funds to pay all damages to the owners of land or other parties affected by any change or condemnation of land for road purposes.

Sec. 8. Be it further enacted, That the county courts of all counties affected by this Act, may levy for road purposes, an ad valorem tax on all property outside of the incorporated towns, which levy shall not be less than ten cents (10 cents) nor more than twenty cents (20 cents) on each one hundred dollars (\$100) worth of property, and shall be collected by the county trustee, and held by him as a separate fund to be disbursed upon the warrant of the judge of the county court. Said trustee, for such collection of taxes, shall have compensation as now provided by law in such cases. The county judge shall make quarterly report showing receipts and disbursements of the road fund, which report shall be examined by the revenue commissioners, and when approved spread upon the minutes of the county court.

Sec. 9. Be it further enacted, That the grand juries of the counties affected by this Act, shall have inquisitorial power of all offenses committed under this Act, and in the trial of all offenses the fact that any road is worked under the provisions of this Act shall be prima facie evidence that said road is a public road.

Sec. 10. Be it further enacted, As compensation, said district road commissioners shall be paid such sum and for such time as a county court of the counties herein affected by this Act shall name when said district contractors are elected.

Sec. 11. Be it further enacted, That all tools, implements, road machinery, etc., belonging to the various road districts in the counties affected by this Act, shall remain the property of the said road districts, but may be rented to the contractors, at a reasonable price, or counted as a part of the consideration in his contract, or may be sold by the quarterly court, and the proceeds of road fund, as directed by the quarterly court of such counties affected by this Act.

Sec. 12. Be it further enacted, That the quarterly courts of all counties affected by this Act shall exercise all their rights, as given under the law for the letting of contracts for the building of all bridges, levees, roads not contemplated in this Act, and nothing in this Act shall be construed as in any way interfering with the rights and privileges as such courts have for the proper construction, maintaining of bridges, levees and roads within their jurisdiction. Nothing in this Act shall interfere with the construction or maintaining of any federal or state roads within the bounds of such counties as may be affected by this Act.

Sec. 13. Be it further enacted, That all counties herein affected in which the road commissioners have been elected for the year 1919, prior to the passage of this Act, nothing in this Act shall be construed as disqualifying them for service. Said road commissioners may continue in office to the end of their term, subject to all the provisions of this Act.

Sec. 14. Be it further enacted, That all laws and parts of laws in conflict with this Act be, and the same is hereby repealed and that this Act takes effect from and after its passage, the public welfare requiring it.

## Can Honestly Recommend It

Johnston Willing to Let Public Know Facts Since Taking Meritone

"I tried Meritone and I can honestly and conscientiously recommend it," said Robert G. Johnston, a prosperous and well-known farmer living on rural route No. 1, Lexington, Ky.

"I had a cold that was way down deep and troubled me a lot and I coughed so much from it that I could hardly sleep at night," Mr. Johnston continued.

"I've taken one bottle of Meritone now and I find that it has strengthened and built me up so that I've almost thrown the cold off and the cough is gone entirely."

"I believe in Meritone so strong that I've just bought two more bottles of it today and I can honestly recommend it to the general public."

Meritone's fame has spread in less than a year until its name is now a household word among millions of people and thousands are taking it.

Meritone is a system medicine and is recommended for system complaints—for ailing conditions of the stomach, liver or kidneys, catarrh, rheumatism and the like or for building up a strong system.

Meritone is sold exclusively in Huntingdon by Patrick Drug Co.

### Road Law

Chapter 703—Senate Bill No. 1126  
(By Burkhalter)

An Act to be entitled an Act to regulate the laying out and working of public roads in all counties in this state having a population of not more than 24,000 or less than 23,950, according to the federal census of 1910, or any subsequent federal census, and to repeal all laws or parts of laws in conflict with this Act.

SECTION 1. Be it enacted by the General Assembly of the State of Tennessee, That at the January term of the county court of all counties in the state having a population of not more than 24,000 or less than 23,950, according to the federal census of 1910, or any subsequent federal census, the county court of said county shall elect a road contractor for each civil district in such county, who shall have general supervision over all highways, roads, buildings, working and repairing of same, and of all bridges not over fifteen (15) feet in length.

The persons chosen for said contractor shall be citizens and freeholders; shall be persons of practical business experience; experienced in road construction and maintenance, and shall hold office for two years or until their successors are elected and qualified, provided that for any wilful neglect of duty, incompetency or misconduct, either or all of them may be removed from office by majority vote of the county court, at any regular term or called session of said court, and provided, further that any contractor may have ten days' written notice specifying charges against him and have a right to be heard in his own defense.

Said contractors shall enter upon a good and solvent bond, double the amount of money due the district for which he is contractor, to faithfully perform all duties required and for the proper accounting to the judge of the county court of all funds from whatever source may come into his hands and is known as committed time. Said contractors shall keep a separate account of all moneys com-

ing into their hands specifying the use and purpose of same, and shall make his report to each term of the quarterly court of said county.

A failure to make such report shall be reason for charges to be preferred against any contractor failing to make such report.

Sec. 2. Be it further enacted, That it shall be the duty of said district contractors to proceed in such a way as they deem best to let contracts for the construction and maintenance of all highways in their district of counties affected by this Act. Said contracts may be by sealed bids or by private contract, but must be made only after giving due publicity not less than ten days' notice that such contracts are to be let, and then must be let to the lowest bidder.

Successful bidders must enter upon a written solvent bond in any sum to be named by said district contractor for the faithful performance of such duties as may be required of him. All contracts must be in writing, and must include the roads in each district that are to be worked for the period of all said contracts, all contracts are to be for one year period, and to be made as early after February 1st of each year as possible.

Sec. 3. Be it further enacted, That all contracts entered into by district contractors for the working, maintenance and repairing of highways in their districts must include the repairing of any road or part of road after any ruin, or any needed work that is brought to the knowledge of said district contractor by any citizen of said district.

Sec. 4. Be it further enacted, That all male residents of counties affected by this Act between the ages of twenty-one (21) and fifty years (50) shall be subject to road duty, except those who have been exempted from road service by the county court for physical disability and the order of the court must also show that the parties exempted from the payment of poll tax for the same reason.

Sec. 5. Be it further enacted, Each person subject to road duty

shall be required to work on the public roads six days in each year; provided anyone may be relieved from road duty by paying to the district contractor the sum of (\$2 50) two dollars and one half per day for each day released. Those who use team or teams, which shall include two horses or two mules, or a double team with plow, scoop or drag as said district contractor may designate, will be allowed three days for each team and driver.

But the use of team or teams on any road shall be left entirely to the district contractor, in all road work eight hours of actual service shall be considered a day's work.

Sec. 6. Be it further enacted, That two days' (2) notice in person or in writing left at the place of residence shall be legal warning for any person to work the road, and anyone failing to appear at the time and place named and to perform satisfactory work, to the best of their ability, or to pay as herein provided by this Act, shall be guilty of a misdemeanor, and punished accordingly, and if such person or persons fails to appear for work on such place as named or fail to pay as herein provided, all of the time that he is subject for work on said public roads becomes due and payable at once, either in work or pay as herein provided.

Sec. 7. Be it further enacted, That all applications to open, change or close highways, shall be made by written petition to the quarterly court of such counties affected by this Act, which petition must be endorsed by the district contractor and the justices of the peace of said district. The county judge of said quarterly court shall appoint a commission of five (5) members of said court to act on such applications. Said commission shall give five days' written notice to all persons interested in the changing, opening or closing such highways to be present at a hearing of such applications. Said commission shall act upon applications and arises such damage as if in their judgment there should be any, and report their findings to the next term of the quarterly court, and with their report they shall file the original
